film program

The Film Program for Children and Teens offers innovative film programming, enhances enjoyment of the Gallery's collections and exhibitions, and fosters an understanding of film as an art form. The program aims to represent a broad range of recently produced foreign and domestic films, including a variety of animation styles and live-action, and classics. See the listings below for film descriptions, dates, and times. Films in this series are selected for their appeal to both youth and adult audiences; age recommendations are intended to guide parents in selecting the most emotionally and intellectually stimulating films for their children. Feature films are in English, unless otherwise noted.

All film programs are shown in the East Building Auditorium. Seating is offered on a first-come, first-served basis. Groups are welcome. Food and drink are not permitted. Programs are free and subject to change without notice. No advance registration. For up-to-date information on the current month's films, please call (202) 789-3030.

Join us for a screening of two newly restored children's films by French filmmaker Albert Lamorisse. *The Red Balloon* (1956, 34 minutes) follows a young boy's discovery of a stray balloon. As they wander the streets of Paris, the two become inseparable. *White Mane* (1953, 40 minutes) is set in the south of France in a near-desert region called La Camargue, where a strong friendship grows between a young boy and White Mane, a magnificent stallion and leader of a herd of wild horses. Films presented in English translation.

(John Henderson, United Kingdom, 2005, 100 minutes)

Saturday, November 8 | 10:30 am

Sunday, November 9 | 11:30 am

Join us for this adventure film based on the true story of Scotland's favorite dog. Bobby, a very loyal terrier, gets up to some cheeky mischief in an attempt to remain by its master's side even after his unexpected death. When a new dog law is introduced, Bobby's life is in danger and it takes the town of Edinburgh, Bobby's closest friends, and even the Lord Provost to save the charming canine.

Where Is Winky's Horse?

(Mischa Kamp, The Netherlands, 2007, 83 minutes)

Saturday, December 6 | 10:30 am

Sunday, December 7 | 11:30 am

ages 7 and up

Enjoy a charming film about friendship, family, and the traditions of St. Nicholas' Day. Young Winky Wong, a Chinese immigrant to the Netherlands, has a passion for horses. Her favorite is Amerigo, a horse belonging to Santa Claus that Winky has been asked to look after. She dutifully grooms the horse while dreaming of one day riding it. When the horse breaks out of his paddock, can Winky find it in time for Santa Claus' return? In Dutch with English subtitles.
